Solid Waste & Recycling Collection Guide

THINK GREEN.®

Dear Resident:

Waste Management is excited to continue trash and recycling services in 2019. We will continue to provide you with weekly trash service, along with every other week single-stream recycling collection services. Recycling benefits your community as it not only conserves natural resources, but it also helps reduce the amount of materials sent to the landfill. Plus, with single-stream recycling, all your recyclables can now go into one container – no more sorting of materials. We look forward to helping your community be as clean – and green – as possible throughout 2019 and beyond.

Collection Times:

Your collection day will not change in 2019. All items must be placed at the curb no later than 6 a.m. on the day of collection. After collection, any carts used for trash or recycling should be removed no later than the evening of your collection day.

Missed Collections and Additional Information

Despite our best efforts, we occasionally miss scheduled collections. If we do, please call us at (800) 866-4460 as soon as you can. Our representatives will work with you to ensure that your materials get picked up. You can also visit us at www.wm.com for live chat and email options.

Inclement Weather

Severe winter weather can be a challenge to our daily operations. At times, we find ourselves juggling to keep the safety of our employees at the forefront, while continuing to provide our customers with the timely service you deserve.

Every decision that we make is for the safety of the community, its residents and our employees. During periods of heavy snow, ice and freezing temperatures, we must make the tough decision to suspend operations until conditions improve for us to recover.

During periods of inclement weather, our team will be providing customers with real time service alert updates at www.wm.com - we recommend book marking this site for easy accessibility. When possible, we may also notify you by phone or email if your collection route is cancelled or will be delayed.

THINK GREEN.®

Restricted Items:

The following items will not be collected as part of your regular waste and recycling collection:

- Construction/demolition materials

Great things happen when residents use **Recycle Often. Recycle Right.™** program. By recycling everyday items like those shown below, raw materials, time, energy and money are saved. Plus the recycled materials become new products – if you recycle an aluminum can today, it could be back on the shelf as a new one in 60 days – and the cycle continues.

- Recycling will be collected every-other-week. Place only the acceptable recyclables shown below together in your recycling cart or bin – no sorting needed.
- Containers that held food should be rinsed free of food debris and liquid.
- Do not bag your recyclables – empty recycling directly into your bin or cart.

Acceptable materials for curbside recycling include:

Always recycle:

Plastic Bottles ,
Jars & Jugs (narrow neck)
containers labeled #1 and
#2

Food & Beverage Cans

Paper

Flattened Cardboard
& Paperboard

Do NOT include in your mixed recycling cart:

NO Food Waste
(Compost instead!)

NO Plastic Bags & Film
(Find a recycling site at
plasticfilmrecycling.org)

**NO Foam Cups
& Containers**
(Check Earth911.org
for options.)

NO Bagged Recyclables

NO Needles
(Keep medical waste out of recycling. Place in
safe disposal containers like Waste Management's
MedWaste Tracker® box.)
